Career Skills Development

In addition to students having the opportunity to earn a HSC or GED, we offer free career training opportunities. We work with students to improve employability skills as they prepare for success in the workforce.

Process for Success:

- Complete enrollment with Pathways Adult Education
- Complete the CASAS assessment
- Work on your GED or High School Completion (HSC) assignments
- Complete the GED test
- Work with Career Navigator to create a resume and cover letter
- Complete Post-test
